We all know that in today's challenging business environment of change and uncertainty, leadership & teamwork are everything.

Someone who's lived this at the most extreme level is our guest speaker – *New York Times* bestselling author and executive coach: Lieutenant Colonel Waldo Waldman.

A combat decorated fighter pilot, peak performance expert, and Hall of Fame speaker, he will empower you with the skills needed to *adapt to change, build trusting relationships, & lead with courage.*

It appears Waldo's jet has just entered **(Client Name)** airspace.

Let's roll his intro video and prepare for take-off!

(Video plays for 1+15 & Waldo takes stage & goes "live" as jet noise fades)
