We all know that in today's challenging business environment of change and uncertainty, leadership & teamwork are everything.

Someone who understands this at the most extreme level is our guest speaker – *New York Times* bestselling author and executive coach: Lieutenant Colonel Waldo Waldman.

A combat decorated fighter pilot & peak performance expert, he will empower you with the skills needed to *adapt to change, build trusting relationships, & lead with courage and confidence.*

It appears Waldo's jet has just entered **(Client Name)** airspace.

Let's roll his intro video and prepare for take-off!

VIRTUAL

Video plays (1min 20secs) then Waldo takes stage & goes "live" as jet noise fades.

IN-PERSON

Lights go off and video starts (1min 20secs)

After the video: turn on lights as Waldo takes the stage.

Optional: Waldo can salute or shake hands with the introducer, who will then depart the stage.
