A.C.E. PROGRAM

ACCOUNTABILITY COMMITMENT EXECUTION

NEW DAY, NEW JET

MISSION OBJECTIVE: REMIND YOUR WINGMEN TO LEARN FROM PAST FAILURES BUT FOCUS ON THE PRESENT.

Thinking about past failures or fears can damage your team's confidence and paralyze one's mindset and actions. Great leaders encourage themselves and others to be their best by learning from the past and looking forward. Give your wingmen confidence by urging them to stay present, follow their training and enjoy the journey of growth.

★ ACTION ITEM #1 ★

Reach Out: Visit someone on your team who's had a setback and ask questions about what they learned; Offer observations and verbalize your confidence in them.

★ ACTION ITEM #2 ★

Vocalize: List three things you can do to get yourself or your team to stay focused on the mission and put the past behind them. Good time to reaffirm one's goals & dreams!

★ ACTION ITEM #3 ★

Affirm: Start each day by affirming three reasons you should be confident in your abilities and why you need to "stay in the jet." Believe in yourself and believe in others!
